

Ealing Deanery

Elections: School Governors

Wednesday 28 Sept 2022

Positions for which elections are to be held

Ealing Fields – one vacancy

If you or someone you know wishes to stand for this position, you will need a proposer and a seconder who are members of the Deanery Synod. The nominee should supply a one paragraph summary stating why they would like to be a governor and any relevant experience – they will be asked to share that paragraph in no more than 2 minutes at the Synod meeting of 28 September.

We are always looking for Governors who would reflect the wide diversity of the school community and would especially encourage more young people and more people from multi-ethnic backgrounds to come forward. A knowledge or understanding of education is always helpful.

To facilitate this process, a nomination form is available from the Deanery Synod Secretary Wei Hei Kipling weihei.kipling@talktalk.net and completed forms should be returned to the Area Dean Revd. David Neno david.neno@london.anglican.org

by 21 September 2022.
