Ealing Deanery Synod is responsible for electing a number of governors to Church of England schools in our Deanery. School governors are instrumental in supporting ongoing school improvement and the development of the character of Church of England schools. The role can be hugely rewarding, but it also carries significant responsibilities. The focus of the February meeting will be for Deanery Synod members to find out more about what is involved in being a school governor so that we can consider who to invite to be nominated for a school governor post.

Closing date for school governor nominations is 1 Feb 2023. Please email the Deanery Synod Secretary Wei Hei Kipling [weihei.kipling@talktalk.net](mailto:weihei.kipling@talktalk.net) for information and a form.

Synod members will be sent the agenda including details to access the event online around 1 February. If you are not a synod member and would like to join us online, please email the Deanery Synod Secretary Wei Hei Kipling [weihei.kipling@talktalk.net](mailto:weihei.kipling@talktalk.net).
